3rd PEACE SUMMIT OF
EMERGING
LEADERS
HUMANITARIAN AFFAIRS ASIA

TOGETHER FOR PEACE

UNITED NATIONS CONFERENCE CENTRE, BANGKOK

JANUARY 11 to 13, 2023

WHAT IS YOUR PLACE IN THE MOVEMENT FOR GLOBAL PEACE?

When even the most experienced practitioners in the field face continuous setbacks in their striving toward peace, it can feel as though no one will ever be able to eliminate conflict, let alone young people. However, the pursuit of peace must be universal in order for it to be truly lasting. **This includes you.**

Humanitarian Affairs Asia creates youth empowerment events and programmes to enable young people to build **an inclusive and sustainable world where peace can be known to all and not just the privileged.** We, therefore, invite you to the **3rd Global Peace Summit 2023** at the **United Nations Conference Centre in Bangkok, Thailand from 11 to 13 January 2023** where you can gather with other emerging leaders as Peace Ambassadors.

The **3-day summit** brings like-minded young people from around the world to work in solidarity and genuine camaraderie to learn about peacebuilding. If you are ready to represent your country at a global forum for international changemakers, **this is your chance.**

"I can genuinely say that I have just participated in one of the most humbling experiences of my life. It is a few experiences that make you see the world in a new way, whilst simultaneously structuring bridges of support and resources. Thus, enabling the realisation of the ideal world's existent in our imaginaries.

The speakers and the organisers at the Peace Summit at the UN Bangkok have shown us what the path to peace should and can look like. No matter your race, religion, gender, or sexuality - every human has the right to dignity, to freedom." - **Dyana Satya Moitinho Freitas, Delegate to the Peace Summit 2020, University of Sydney, Australia**
